

Cowork & Claude Code

Put AI to work for you

For anyone who wants real AI productivity

WHAT WE'LL DO TOGETHER

● THEORY ● DEMO ● WALKTHROUGH ● HANDS-ON LAB

SESSION 1 (TUE) — WORKING ALONGSIDE AI

THEORY Cowork tools vs. plain chat

What "cowork" AI is, how it differs from chatting, and when it shines.

DEMO Connect AI to your files & apps

Live: pointing AI at your documents, folders and tools.

WALKTHROUGH Design a repeatable workflow

Map input → steps → output for a process you do often.

HANDS-ON LAB Break down your own process

Turn one of your real tasks into clear, automatable steps.

SESSION 2 (THU) — AUTOMATE YOUR WORK

THEORY What Claude Code does for you

Automation in plain language — no developer background required.

DEMO An automation, built live

Watch a multi-step automation come together start to finish.

WALKTHROUGH From manual to automated

Convert a manual chore into a reliable, repeatable run.

HANDS-ON LAB Build & run your automation

You build one automation end to end and run it yourself.

YOU'LL WALK AWAY WITH

One working multi-step automation built for your own real workflow.
